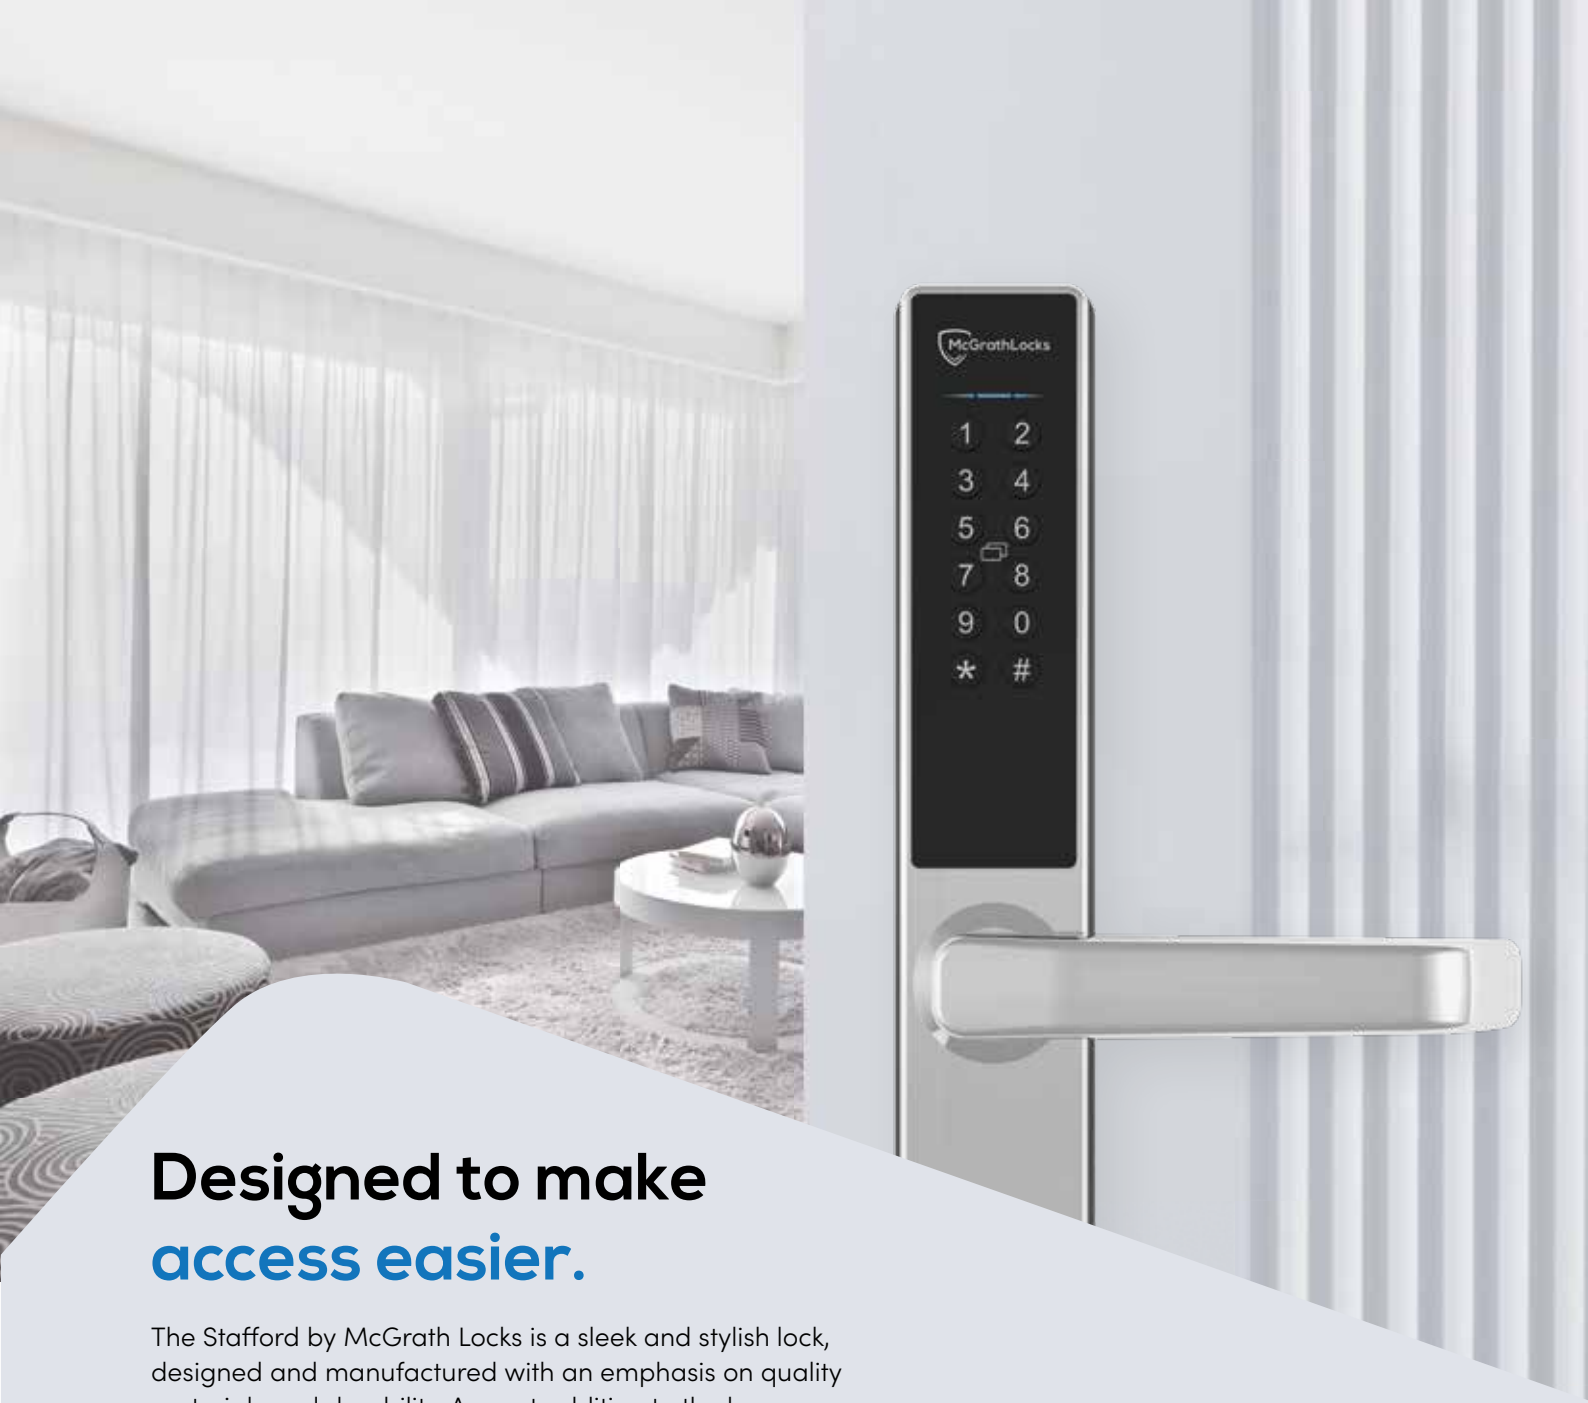
McGrathLocks
MAKING ACCESS EASIER

Stafford ADA Compliant Digital Bluetooth lock

A great addition to the home, office or business.

mcgrathlocks.com.au



Designed to make access easier.

The Stafford by McGrath Locks is a sleek and stylish lock, designed and manufactured with an emphasis on quality materials and durability. A great addition to the home, office or business, this 5 in 1 digital door lock provides a versatile and convenient method of entry that allows you to easily manage who has access to your property.

Utilising the powerful TTLock APP, lock and user settings are easily configured and managed. Access can be provided to family and visitors alike through pin code, RFID credential and eKeys managed via BLE and mechanical key override. The Stafford has inbuilt Wi-Fi capability giving you the ability to unlock your door from anywhere in the world using the TTLock APP.

The Stafford is equipped to suit the most demanding of applications and can be installed with a tubular latch, ANSI and European mortice lock. It has been constructed using a tempered glass screen and carries an IP66 rating on the outside handle. It also features a fully re-keyable pin cylinder for extra serviceability.

- **Bluetooth**
- **Pin Code Unlock**
- **RFID Unlock**
- **Key Override**
- **WIFI (InBuilt)**
